To whom it may concern:

I would like to thank Mr. Jeff Hobbs and Segregation Holding Limited, for assisting me with the cost segregation study. He was referred by my CPA, Robert Edwards & Associates. Initially, it was too good to be true, but after meeting with Mr. Jeff Hobbs, I was confident that his services would save me a lot of money. The process was easy and painless, and the result of his study was even more than what he initially calculated! Definitely a winner!

I am so pleased with the results that I plan to do another cost segregation study on my third location!

Thanks again, Mr. Jeff Hobbs and Segregation Holding Limited!

Sincerely,

Angelie V. Zamora, DDS
