

Cost Segregation Specialists

STRATEGIC ALLIANCE PARTNERSHIP PROGRAM

By partnering with Segregation Holding as your exclusive cost segregation provider, you open the door to a wealth of opportunities for you, your firm, and your clients. As your exclusive cost segregation provider, our *Strategic Alliance Partnership Program* provides you with the following benefits –

- *Option to private-label our studies - extend your service offering and brand by having an “in-house” forensic engineer providing cost segregation to your clients. We do the work, you get the credit.*
- *Opportunities for ongoing professional continuing education in cost segregation and other tax-related areas impacting your practice.*
- *Coordination and assistance in arranging and hosting quarterly client-building events for you and your firm.*
- *Marketing webinars to help you grow your business, retain your existing client base, and add new clients.*
- *Reciprocal inclusion on our “Preferred Partners” referral page on our web site.*
- *New client referrals whenever available.*

Additionally, you will receive the following benefits simply by participating in this program in either an exclusive or non-exclusive capacity –

- *Our commitment to schedule an appointment with one of our trained Cost Segregation Specialists to review your top ten commercial property portfolio clients **within 48 hours**.*
- *Free no-obligation Benchmark Report and Preliminary Property Analysis for EVERY client who owns commercial property and pays Federal Income Taxes. (Other firms charge more than \$1,000 for similar “desktop” reports.)*
- *Each study comes with full three-year updates and audit protection, as well as our performance guarantee.*
- *Free review of all past applied cost segregation studies by other firms. We routinely find additional benefits. Our forensic studies always out-perform “desktop” studies.*

This program is available at **NO COST** to you or your firm – simply make the smart decision to rely on Segregation Holding for all your cost segregation needs, and we’ll do the rest. You will also receive direct access to our company President, Senior Engineer, and Management Team to further assist in delivering to your clients the maximum tax benefits and services.

(This one-year agreement is for joint marketing and business cooperation only and automatically renews upon anniversary. Segregation Holding will NOT compete with you for any products or services you offer to your clients. You may cancel at any time with 30-day notice.)

YES! I want to be a *Strategic Alliance Partner!* Please begin my benefits as an Exclusive Non-Exclusive Partner.
